ECOPRO WINDOWS, GLASS AND BLINDS

Aluminum Bifold Series

EcoPro product guide based on Skyview’s published information

Panels slide, pivot and stack to the side of the opening. Panel layout, stacking direction and clearance depend on the configuration.

Features and configuration

- Panels slide, pivot and stack toward the side of the opening.
- Multiple colours and configurations. Confirm stacking direction, panel arrangement and clearances.

Confirm dimensions, options and applicable ratings for the selected configuration.
